VILLAGE MISSION'S FAMILY

Paul & Robin Crabtree, Manton, CA (Southwest District: Richard & Ellen Hayes): Manton is near 10,000-foot Mt. Lassen and is at about 3,500 feet. Logging and sawmills are history here, but the beautiful trees remain. Manton Community Church is on the main road. We are within walking distance of the cemetery, post office, museum and school (that we are leasing to purchase). We are part of a strong community, and our involvement is appreciated. Our population of 300 explodes with the annual Manton Apple Festival, where our church shares the Gospel with children and families. **PRAYER REQUESTS:** 1) Pray for our VBS to continue to be fruitful. 2) Pray for the lost in our community and in our church. 3) Pray for all to join us in reading through the Bible this year with The Bible Recap program. (Manton Community Church, PO Box 558, Manton, CA 96059. (530) 474-5165)

Pray for:

* **Persecuted Christians** - www.persecution.com - **Malaysia:** On Feb. 13/17, Pastor Raymond Koh was abducted off the streets of Malaysia. In 2019, Malaysia's Human Rights Commission issued a report blaming the abduction on the "Special Branch" of Malaysia's police. No one has since been held accountable, and Pastor Koh's whereabouts and condition remain unknown. Pastor Koh's wife, Susanna, asked for prayer for court hearings on June 6 and 7 as she continues to seek the truth of her husband's disappearance. There is a new judge in her case, and a judicial review was recently allowed in another disappearance case. Susanna is hopeful these developments will lead to a favorable outcome in the upcoming hearings. She requests prayer for a fair and just hearing and that the truth of Raymond's disappearance will be revealed.

* **Unreached People** - <https://joshuaproject.net/pray/unreachedoftheday/today> - **Angku in China:** The Angku are classed by the Chinese government as the same as the Bulong people. They practice Theravada Buddhism, which is central to their life. It is based on Buddhist scriptures and teaches that each person must work out his or her own salvation. Like most people in this region, they blend Buddhism with ancient religious practices. They live in Yunnan Province, China's most unreached region. Their small numbers, remoteness and a lack of interest on the part of Chinese Christians are the major obstacles to reaching them with the gospel. There are no Christian resources available in their language. Chinese Christians need to deliberately reach out to this group. Pray for Christian believers from surrounding tribes to present Christ and his ways to the Angku people of China. Pray the Holy Spirit would prepare the Angku to be open to outreach.

* **2023 World Watch List** (most dangerous countries for Christians) **#23 – Burkina Faso:** Pray that God will heal and comfort all those severely traumatized and affected by jihadist attacks. Pray for the protection of believers and local partners in the country, and for strength to stand firm in their faith.
