VILLAGE MISSION'S FAMILY

William & Rebecca Troxel, Westport, WA: Westport is a lovely coastal

community where cranberry farmers and fishermen are the economic backbone of the area. Our church family here is made up of hard workers who trust God for a good catch and

good crops. PRAYER REQUESTS: 1) Pray for our son as he starts at his first duty station as an Army helicopter pilot. 2) Pray for funding for the food bank, for strength for the volunteers as we meet folks' physical needs, and for opportunities to share Christ for their even greater spiritual needs.

3) Pray for the people of the church to continue in holiness and maturity as they share the gospel with friends, family, and neighbors.

Pray for:

*** Persecuted Christians** - www.persecution.com- **Burkina Faso:** Islamist militias attacked three different villages in eastern Burkina Faso on and shortly after July 19, 2025. "Eleven Christians have been killed, and others have been taken hostage or are missing," said a front-line worker. He added that many Christians in the area have fled their homes, and one pastor was evacuated to another city to receive medical care after suffering a serious injury. The incidents occurred near the Mali border, where numerous jihadi groups are based. "Please pray for the church in Burkina Faso as they continue to face attacks on nearly a weekly basis," said the front-line worker. Another Christian leader said, "Thousands of believers are being displaced; hundreds are being killed. There's a lot of pain but also a lot of perseverance."

*** Unreached People** - <https://joshuaproject.net/pray/unreachedoftheday/today>- **Kollan Viswakarma in India:** The Kollan of Kerala speak, read, and write in Malayalam, the primary language of Kerala, a state in southwest India. The Viswakarma Kollan are traditionally blacksmiths but now many work as agricultural day laborers, goldsmiths, businessmen or office workers. The Kollan now have monogamous marriages. They prefer cross-cousin marriages arranged by their families. They allow for re-marriage after a divorce or if the spouse dies. After the death of the father, the oldest son takes charge of family matters. Their children are educated. They have an organization that looks after their needs. Since there are probably no Christ followers at all among the Kollan Viswakarma community, it will take an act of God for them to respond. Most likely there will need to be an entire family or clan that responds at one time, so they are not subject to community pressure to return to Hinduism. Pray for today's people group to repent of their sins and to believe in the God of the Bible. Pray that the leaders of the Kollan will come to Jesus Christ and lead their community into a movement to Christ. Pray that gospel materials and the internet will become easily available to them. Pray for a spiritual hunger that will lead them to the only savior.

*** 2025 World Watch List** (most dangerous countries for Christians) **#43 - Cameroon:** Pray for Christians who have endured unspeakable violence. Ask God to heal their wounds, both physical and emotional. Many Christians have experienced repeated attacks in the Far North. Pray that God will be with these hurting believers in a powerful way. Despite the ongoing attacks, people are coming to faith in Jesus. Pray for their faith to grow strong and that they will be well disciplined.
