Pray for:

*** Persecuted Christians** - www.persecution.com - **Syria** - A Christian family has returned to Syria and asks for prayer. Sister K and her family are Syrians who fled to Jordan to escape the civil war that began in 2011. While in Jordan, she and her husband became followers of Christ, were disciplined in the faith and became leaders in the Christian community. When the civil war ended in December 2024, they sensed God calling them to return to their home country. Sister K's husband returned in the summer of 2025, and in 2026 the entire family, including two young children, moved to Homs. "Pray that the Lord will bless Sister K's family and their ministry with spiritual fruit for the Lord's kingdom," said a front-line worker. "Pray for the Lord's provision and protection over them as they continue to boldly share the gospel and disciple others."

*** Unreached People** - <https://joshuaproject.net/pray/unreachedoftheday/today-Pashayi>: The Pashayi who live at lower elevations are mostly rice farmers. Those who live at higher elevations are wheat and maize farmers and herders. A tribal people, they submit to a village council, which is the authority on issues affecting the entire village. Each family unit appoints extended family members who comprise the council. Feuds often arise, as personal disputes are resolved by the individuals who have been wronged. Pashayis value masculinity and honor above all else. To them, the ideal man is a proud warrior, loyal to his family, a formidable foe to his enemies, and always prepared to engage in a feud. Every Pashayi man carries a knife or a gun. Pashayis live in a land where there are probably no Christian followers, and the Islamic religious system is never challenged. Their form of Islam is harsh, and so is their view of Allah. They have no concept of a loving Heavenly Father. Pray for God to intervene in miraculous ways, perhaps through dreams and visions of the victorious, risen Christ. Pray that the Pashayi will have a spiritual hunger that will open their hearts to the King of kings. Pray for workers who are driven by the love and boldness of the Holy Spirit to go to them. Pray for Northeast Pashayi disciples who will make more disciples in Afghanistan.

*** 2026 World Watch List** (most dangerous countries for Christians) **#39 - Tajikistan**: Christians who meet in house churches can face monitoring from authorities and government raids. Pray that these believers can worship together without fear. Pray for a change in heart for government officials that they will stop infringing on religious freedom. Ask God to protect evangelists and other Christian workers who bring God's Word and other Christian resources to His people in Tajikistan.
