VILLAGE MISSION'S FAMILY

Heath & Hannah Lynn, Elk Plain, WA: Elk Plain Community Church is in Spanaway, WA, an unincorporated area 12 miles east of a large military base, and 20 miles south of Tacoma, WA. The area has grown to be a blend of rural and urban and is transitioning into a shipping hub. Residents often commute to work. Many members have ties to the military.

PRAYER REQUESTS: Please pray for fruitful Fall ministries, including our preschool and kindergarten, ministering to about 70 students each year. 1) Pray for new families we will meet this year, that they will experience Christ's love. 2) Pray for opportunities to represent Christ and that many would respond to Him in faith. 3) Pray also for our adult and youth ministries to thrive. And that the Church body grows strong and united. (Elk Plain Community Church, 4115 224th St E, Spanaway, WA 98387 (253) 847-2508)

Pray for:

**** Persecuted Christians*** - www.persecution.com - **Mozambique** - Several young Christians have received support after being rejected for their faith. In northern Mozambique, which is majority-Muslim and has been the epicenter of an Islamist insurgency since 2017, young people who place their faith in Christ risk rejection from their families and threats from Islamist insurgents. Delfina, 17, was abandoned by her family because of her Christian faith. Vasco Antonio, 26, fled his village amid lethal Islamist attacks that resulted in his grandmother's death. Ronilda, 25, lost support from her Muslim family when she would not renounce Christ. The global body of Christ has assisted these young people in completing their education, getting stable housing and serving in their local churches. In conversations with front-line workers, they said God's presence has sustained them through their suffering. Pray that young Christians in Mozambique continue to experience God's presence as they stand firm in faith.

**** Unreached People*** - https://joshuaproject.net/pray/unreachedoftheday/today-
The Alxa Mongols are the only group within the Mongolian nationality in China to profess Islam as their religion. The Alxa Mongols rely on camels for survival. There are an estimated 200,000 camels in the region—one-sixth of the world's two-humped Bactrian camels. Camel milk is not only used as a drink but is also fermented and made into an alcoholic beverage, cheese, butter, and yogurt.
Due to a horrific infant mortality rate in the past, the Alxa Mongols do not celebrate a child's birth until he is three years old. The Alxa Mongols remain fervent followers of Islam to this day. Their faith constitutes their historical and ethnic identity as a people group. Due to their social and religious isolation, they will likely be one of the most challenging people groups to reach in all of China. Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person. Pray for the spiritual blindness and bondage to the evil one to be removed so they can understand and respond to Christ. Pray for the Lord to provide for their physical and spiritual needs as a testimony of his power and love. Pray that the Alxa Mongols will have a spiritual hunger that will open their hearts to the King of kings. Pray for an unstoppable movement to Christ among them.

**** 2026 World Watch List*** (most dangerous countries for Christians) **#46 - Nepal:** Believers who have converted from Hinduism can be targeted by their families, their community and their local government. Ask God to protect and sustain them. Pray that God would change the hearts of Hindu extremists who target believers in Nepal. Ask Him to overturn unjust laws used against Christians, and that His hope and joy would be visible to all people in Nepal.
